Dear Members,

The Asiatic Society's heritage building is a protected monument under the Archaeological Survey of India (ASI). Heritage building will be undergoing renovation, restoration and conservation. Before taking up the work of maintenance, if ASI is informed about the adaptive use of heritage building, the entire civil work by ASI and electrical work by CPWD can be better coordinated and executed.

As a Hon'ble Member of the Society your valuable suggestions for suitable use of the heritage building in future will be of immense help to formulate a plan for the heritage building. A return mail by 27th November, 2024 will be highly appreciated.

Your valuable comments are most welcome.

With regards,

Yours sincerely,
